Dear friends, as you can see we will be changing the agenda slightly this week. By Tuesday I would like you to think about who should receive the flowers on Mothering Sunday and whether you would like to give a gift individually to Make a Mother's Day or to give a Branch gift. To save time and not to bore our guests I would be grateful if you could phone or text me with your decision on who should be the recipient. Here are a few people that I have thought about that have not received flowers from us. Please if there is anyone that you wish to add to this list let me know.

Betty Hodge- Indoor Member recently been in hospital.

Pat Davies- In hospital at present with a stroke.

Carol Lock- Has been quite unwell and has had a difficult year, attends 8.30 am service.

Jill – who lost her only child Steven Bowditch. ( Caergynydd Rd.)

Rita Johnson -Jill's sister who has had surgery for cancer and was a regular at Wednesday Church.

Mair Cornish – who had a fall in first lockdown and has been a faithful worker for many years.

Gwlythen Mason- who lost her sister Kitty recently.

Many of our parishioners that are known to us as being unwell have not been placed on the list as they have already been recipients in prior years but they are not forgotten.

Look forward to seeing you on Tuesday at 2.pm and hearing your decision later.

Love Margaret.
