

“Hello all~

These are indeed ‘unprecedented times’ for us as a community and church family and please be assured of our thoughts and prayers as we travel uncharted waters together.

May I suggest that you make full use the resources under ‘Helps to worship at home’ – and Arthur Howells’ Lenten reflections. While we may not be able to meet together in church for a while we can keep the rhythm of prayer going.

We are also establishing a ‘telephone visiting’ scheme to ensure that people who would appreciate being contacted are called for a chat. If you feel that this might be helpful, please be kind enough to call me here at the vicarage/leave a message or e-mail me at [iandavies12@hotmail.com](mailto:iandavies12@hotmail.com) to give us permission to call you and I shall pass this information on to our team of helpers.

We are aware that our local councillors are trying to coordinate practical help for those who are self-isolating and need practical assistance with shopping etc. Again please let us know if/how we can support you – and of course there is the prayer requests option on the website and we’d be honoured to keep you in our prayers
