

Pont Gors Fawr Update (8th September, 2021)

Dear friends,

I am delighted to tell you that St John's has been granted its faculty with regards to reordering our worship space. This will necessitate the closure of the church from Saturday 18th September to Thursday, 23rd September to allow us time to move everything around, clean, and produce a new risk assessment.

An exciting time that we are sure will reap huge benefits.

Yours in Christ,

Alex
